www.perfecttrendz.com

Perfect Trendz is a manufacturer and exporter of Knitted garments like T-Shirts, Polo T-Shirts, Sweat shirts, Pyjamas for Men, Women, Kids.

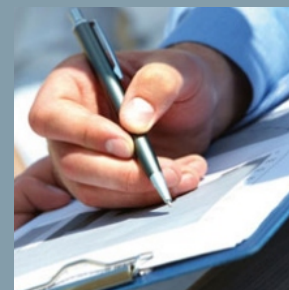

Testing Laboratory

Perfect Trendz is having state-of-the-art testing facilities equipped with all latest efficient testing instruments which ensures that customer will get highest quality in products.

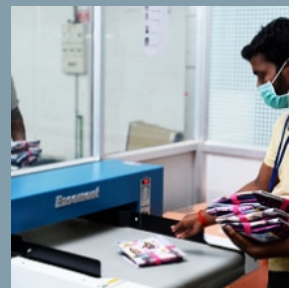

Quality Standards

Our quality inspectors follow the AQL (Acceptable Quality Level) guide in checking the number of defects that are permissible during production process and restrain our average to 2.5 defects per hundred units.

Needle Detector

Our quality norms are more rigid on finished product inspection and emphasize 100% merchandise checking by our quality inspectors. Also, our metal detection machine ensures that all our materials are free from minuscule metal particles that could otherwise be harmful.

Manufacturing Facilities

We have a well equipped production unit which is backed by hi-tech machines and state-of-the-art technology. Our infrastructure is backed by excellent manufacturing and processing facility
